Answer

THE MINISTER OF STATE FOR WATER RESOURCES, RIVER DEVELOPMENT AND GANGA REJUVENATION (PROF.SANWAR LAL JAT)

(a)to(d) Proposal for inclusion of Bargi Diversion Project under the scheme of National Projects is under consideration. Government of Madhya Pradesh has been requested to provide following information for processing their proposal:

(i) A complete plan of works delineating the components covered under Accelerated Irrigation Benefit Programme (AIBP) and those to be taken up in the National Project.

(ii) The index map, T-diagram as well as a tabulated statement of the components included/completed under the AIBP scheme upto March, 2014 and the balance works proposed to be covered in the scheme of National Project including the Main and Branch canals, Distributaries & Minors, Sub Minors, Drains and Water courses with their off take (chain age, bank), C.C.A., irrigation Potential, length etc. along with breakup of estimated cost.

(e) The Sedimentation Assessment Survey using Remote Sensing Techniques in 2008, shows that there is no significant decrease in live storage capacity in the Bargi Diversion Project.
